Environmental Horticulture: Nursery and Greenhouse Technology Emphasis

2011-12

Associate in Science Degree in Environmental Horticulture: Nursery and Greenhouse Technology Emphasis

Jobs and a preferred lifestyle are what inspire most students to enter Santa Barbara City College's Environmental Horticulture Program. The department offers a *one-year Certificate in Environmental Horticulture* as well as a *two-year degree with six areas of emphasis* to choose from.

"Learn by doing" is the program's philosophy. Practical labs, cooperative work study and apprentice training are heavily integrated into the program.

Careers in Environmental Horticulture

A major in Environmental Horticulture can lead to careers in landscape contracting (C-27 license), maintenance contracting, landscape design, nursery/greenhouse technologies, turf care, urban forestry/arboriculture, irrigation specialist, xeriscaping, integrated pest management, park administration, edible and production horticulture, floriculture and floristry, estate/grounds management, horticulture business management, green resource recycling, biodiversity, conservancy and sustainable horticulture, plus many more.
