The Liberal Arts and Sciences: Arts & Humanities Emphasis degree at Santa Barbara City College (SBCC) is designed for students who wish to have a broad knowledge of arts and sciences while building a foundation within an "area of emphasis." This degree can be a good option for students who may need to explore possibilities before committing themselves to a major prior to transferring to a four-year university or for students who may not be planning to transfer but wish to earn a degree in a particular area of study that interests them.
